How to get there:

Using the SBahn is probably the most recommended way to get there. The Arena is located literally steps away from the station and gives you the freedom you would not have with a car.

You will get there with U2 toward "Altdorf". Leave the train on "Frankenstadion" station and follow signs. Arena Nürnberger Versicherung is visible already from the station, so you can not miss.

By car

From west on A6 - leave the A6 motorway on junction Nürnberg Süd and drive on to A73 toward Nürnberg-Hafen/Fürth. Leave A73 and drive in to Münchner Straße.

From south/north on A9/A3 - leave the motorway on exit "Fischbach" and turn to right to Regensburger Strasse. After approx 6 km's you will reach a crossroad with Burger King. Turn to the left.

From east A6 - leave the motorway A6 and drive on to A9. After approx 100 meters leave the motorway on exit "Fischbach". Further same like from south/north.
